## **2015/2016 Harbor Rules**

1. The harbor is a "NO WAKE" zone. All boats entering or leaving the harbor are to be at "idle speed" and "no wake" is permitted. When entering the harbor, slow engine(s) well before reaching the entry lights. THIS RULE APPLIES TO ALL PERSONAL WATERCRAFT.
2. Boats leaving the harbor have the "right of way" over boats entering the harbor. As a courtesy, kindly assist a fellow boater as he/she reaches their dock.
3. NO SWIMMING is allowed in the harbor.
4. Children/guests and their watercraft are the responsibility of the parent/member. Please be certain children/guests adhere to rules.
5. When leaving your slip by boat, one long blast of the horn MUST be sounded to alert other boats of your actions. When entering the harbor by boat, three long blasts of the horn MUST be sounded.
6. For the health, welfare and safety of members, their children and guests, the speed limit in the parking areas and roads is 5 MPH.
7. For the safety of members, their families and guests, please keep docks free and clear of any obstacles (i.e. dock boxes, barbecue grills, gas and oil containers, boat covers, hoses and hose caddies, excessively coiled rope and wire, etc.) Docking lines must be neatly coiled and kept as "trip-free" as possible. This includes off shore power, cable, telephone and water supply lines, etc.
8. ABSOLUTELY NO additions or modifications to the docks are allowed without the prior written approval of the Board of Directors (i.e. personal watercraft lifts, decks, power washing, staining, painting, carpeting affixed, "bank-boards," etc.).
9. Parties or outings planned for the Harbor facilities must be arranged with the Commodore and approved by the Board of Directors.
10. When using the picnic facilities or fireplace on the Point, please clean up after usage.
11. No excessive noise in the harbor after 11:00 pm. Please show consideration for others around you. Please use good judgment when playing music or T. V.'s in the evening or morning hours. Please use "silent choice" when operating your engines upon entering and leaving the harbor.

12. Fishing on the grounds or docks by nonmembers is prohibited. Politely ask violators to leave or notify the Club Manager.
13. Guests Dockage for a member's guest is allowed when space allows, at the discretion of the Commodore. Rates shall be \$1.00 per lineal foot, per day/night. These rates do not apply to a first nights stay for a member or a visitor from a club with which Lake Shore Yacht & County Club, Inc. has a reciprocal agreement. Dockage fees for guests shall be charged to the inviting member's account. The Guest and his/her boat must be registered with the Club Manager.
14. No trailers are to be left in the harbor parking lot overnight. As an accommodation to members, seasonal storage of trailers is available on club property, off of Lakeshore Road. **PARK/LEAVE TRAILERS AT YOUR OWN RISK. LAKE SHORE IS NOT RESPONSIBLE AND ASSUMES NO LIABILITY FOR DAMAGES TO OR THEFT OF PROPERTY.**
15. Docks, as assigned, are for that members use only. No loaning, changing or "swapping" of docks, as assigned, is allowed without prior permission from the Commodore.
16. **ABSOLUTELY NO** bow and arrow hunting or target shooting of any kind in the harbor area.
17. Under Federal and NYSDEC Laws, absolutely no head (sewage) pump outs, garbage dumping, fuel, oil or chemical discharge of any kind, is allowed in fresh water, whether in the harbor or lakes. The penalty for any person found to be in violation of the law, is immediate arrest and fines of up to \$20,000.00; as well as boat confiscation. NYSDEC Officers will be making spot inspections and routine surveillance of our harbor.
18. Deck Construction Specifications - **ALL DECK DESIGN AND CONSTRUCTION MUST BE APPROVED BY THE BOARD OF DIRECTORS.** Materials: pressure treated lumber only; bull nose deck hoards only; railings shall be constructed with 2" x 2" laths and capped with 6" rail board; color shall be natural, no painting or staining.
